

Bloom 2017 Wall Calendar: Flower Photography by Ron Van Dongen

Let your spirits bloom year-round with Ron van Dongens sumptuous flower photographs. This stunning wall calendar will brighten your space and infuse your days with serenity and rich color. The perfect gift for the gardener or the flower enthusiast. A year of stunning, rich-with-color flower photographs on your wall. Frameable artbook-quality printing. Features insightful quotes by writers such as Oscar Wilde, Emily Dickinson, Ralph Waldo Emerson, and William Shakespeare. Printed on FSC Certified Mixed Source Paper with soy-based inks. Published by Amber Lotus, an independent carbon-negative US company that has planted more than half a million trees since 2008. This calendar features US and Canadian legal holidays, phases of the moon, and important observances of the worlds major religions. Youll be energized by the flaming red and yellow of the parrot tulip, stirred by the flirtatious form of the yellow gypsy crocus, and uplifted by the pert white poppy. The artist opens a window into Mother Natures process, capturing each blossom with a view camera and rendering it in up-close detail so that you feel like you are watching the petals unfold before you. Van Dongens subjects reside in his backyard flower garden, where he nurtures these exotic plants from seed to bloom, tending them daily. The resulting floral portraits showcased in the Bloom wall calendar will transform your space into a garden of delight and enhance your inner landscape.
