

LECTURES AND INTERVIEWS OF COL. ROBERT. G. INGERSOLL

Happiness Is The Only Good, Reason The Only Torch, Justice The Only Worship, Humanity The Only Religion, And Love The Only Priest. Presumably the complete collection of ALL of Ingersoll's Lectures and Interviews. Colonel Robert G. Ingersoll (August 11, 1833 - July 21, 1899) was an American political leader and orator, noted for his broad range of culture and his defense of atheism. Ingersoll was most noted as an orator, the most popular of the age, when oratory was public entertainment. He spoke on every subject, from Shakespeare to Reconstruction, but his most popular subjects were atheism and the sanctity and refuge of the family. He committed his speeches to memory although they were sometimes more than three hours long. His audiences were said never to be restless.
