

By Chance, No Choice (Stetson Series) (Volume 1)

By Chance, No Choice, a BWWM romance novel written by Author Xyla Turner, love is sparked from a distance yet struggles to stay ignited. Tess and JD cross paths at a conference by chance. One steamy night turned into an extended vacation, the chemistry that was created during their time spent together couldnt be ignored. JD knows that she is the one, never feeling so sure about anything in life prior to meeting Tess. But she doesnt believe him, her past hinders her from experiencing real love. While working in New York as the Vice-President of a technology start-up, shes highly successful and skilled in her field, whereas JD calls all the shots as CEO of Can-It Corporations in Iowa. In Chance, No Choice, the couple repeatedly tries to establish a solid foundation for a lasting relationship but being miles apart, having different goals in life and inconsistent communication, it isnt the easiest thing to do.
