

2013 US Calendar - Daily Planner and Organizer, Websites and more for Kindle Users

2013 US Calendar - Daily Planner and Organizer, Websites and more for Kindle Users After Amazon top ranking 2012 US Calendar (Top 14th on the free list in December 2012), now the Calendars 2013 version is available! The 2013 US Calendar is likely to be made the second-to-none Kindle-friendly calendar available online by its platform now brought to perfection, its note taking and highlighting possibilities and its numerous useful Kindle-friendly web address links. It is simple and quick to use, months with federal holidays are immediately seen and each week is connected to the Google Calendar through its link. Look at the pictures in customers images (under the books cover picture): here you can see some sample pages from the calendar, together with explanatory notes. A few important highlights of the calendar: - Each month has a page of its own with a photograph and the week numbers link to the address of that weeks Google Calendar address. - Note taking and highlighting possibility for each day you can also save your notes and highlights onto the server of Amazon (see the books detailed, illustrated documentation). - Each month displays the given months federal holidays and there is a separate page that shows all these days together (notable days). - Quick navigation between months: all the months and the table of contents can be directly accessed from the page of each month. - Also contains the full years calendars for 2013 and 2014. - Through the links at the top of the page, you can directly access the Kindle-friendly version of some important websites, namely: Gmail, Gtask, Facebook, The Weather Channel. In the same place, the MORE link will direct you to a book address where you can find an additional 21 useful websites: - Portals: AOL, Windows Live, Yahoo - Social Networking Sites: Pinterest, Twitter, LinkedIn - News: Yahoo news, ESPN,

Cnet - Business & Finance: The Wall Street Journal, Ebay, RetailMenot (coupon site) - Information: Answers.com, BibleGateway, Wikipedia - Entertainment , Travel: IMDB, Orbitz, Google Maps - Games & Apps: Online Klondike card game, Solitaire and Getjar (Kindle Fire apps & games) - Kindle Stuff: Kindle Users Forum (rss feeds), Gutenberg Project (Free books), Quick Links Important Notes: With Kindle Touch and Kindle Keyboard: please use font size 3 (this is the default value), the use of larger font sizes is not recommended (see the books documentation). This calendar is an e-book with a complex layout: please do not use it with mobile devices with a small display, like an iPhone. Please note that this is an e-book and not active content (or app).
