

## Called to Mate (Pack Mates Book 1)

Declans chance to be the alpha of the Smooth Rock Falls pack has finally come, but in order to take over he needs to find a mate. Finding the gorgeous and fragile Quinn living in his parents home, his body heats for no other. Quinn is a submissive male wolf who has spent most of his life abused by his former alpha. But being mated to his new packs alpha provides him with a level of safety hes never known before, and a whole new world of passion and lust opens up for him. Just as their love begins to blossom, a wolf from Quinns past threatens the happiness hes found in Declans arms. ...a nicely written story about an Alpha werewolf who finds his mate in a submissive wolf and helps the abused man come to find that not everyone is out to hurt him. ~ Becky, Mrs. Condit and Friends Read Books If you like gay romance, sexy alpha male shifters and a little bit of mystery and intrigue, this is definitely a book for you. ~ Tams, MM Good Book Reviews This book was previously published with Liquid Silver Books.
