

Handling Cynthia: A BDSM Novella (Ache of Desire Book 2)

For five years, his unforgettable kiss has fueled her darkest fantasies. A forbidden attraction Cynthia Darlington won't let her dream guy walk away again. With their five-year class reunion coming up, she can't stop the memory of Trent Weber's kiss-strong hands possessing her while her body yielded to his demanding touch. The call of her submissive nature confused her then, but now she understands. With Trent, she's willing to give in to her decadent fantasies, even if only for a weekend. A rekindled flame Trent can't resist the chance to see Cynthia, but he's not the love-sick kid he was. Watching her leave with barely a good-bye was enough humiliation for a lifetime. Yet one look at her nowher expression as sweet as ever, her body poured into a tight black dress reignites his desire to master this self-assured, independent woman. A weekend of her submission isn't enough. This time, he's determined to win her heart. This steamy BDSM romance is intended for a mature audience. It contains scenes of flirtation, hot kisses, seductive bowling, a spoiled sub, a demanding Dom, second thoughts, and second chances. It has an HEA and no cliffhanger.
