

Anxiety & Depression Workbook For Dummies

Anxiety and depression affect over 10% of the population. They can become debilitating conditions if not managed carefully so there are thousands of people looking for advice on how to keep their symptoms under control. Anxiety & Depression Workbook For Dummies provides readers with practical exercises and worksheets to help them analyse their thinking patterns and overcome the issues that are holding them back. The workbook format is ideal for those wanting to track their progress and make positive changes to both their mental and physical health.
