

Lone Star Nights: Cowboy Trouble Bonus (The McCord Brothers)

No strings attached is pretty much Lucky McCords calling card in Spring Hill, Texas, but when family is on the line, this cowboys honor and heart are about to get lassoed, tied and branded. Every family needs its black sheep, and Austin Lucky McCord is happy to oblige. The bad-boy bull rider lives fast and loose, until his business partner leaves him an unexpected bequest. Suddenly Lucky is sharing custody of two children with Cassie Weatherall, one of the few homegrown women he hasnt bedded. And not from lack of trying. Cassie fled her messy past to become a celebrity therapist in LA. So why does it feel so right to come back and share parenting duties and chrome-melting kisses with a man shes striven to avoid? Loving Lucky always seemed like a sure bet for heartache. But for this perfectly imperfect family, Cassie might just gamble with everything shes got.
