

# YES: The Dramatic Story of an Israeli Woman Rescued by One Word: YES!

The dramatic life story of an Israeli woman who falls and rises again because of one word-YES! Dominique had been a trainer in the Israeli Army, as a young mother of two and health-food store owner she found herself battling for the life of her mentally sick husband. Life was hard, she needed answers, she asked a ouija board, the spirits answered and she found herself in a hurricane of spiritual powers stronger than herself that were trying to rule her. At the waters of the Sea of Galilee while touring a group of Mexican Catholics she had a Divine encounter that left her shaking! She met HIM. Run for your life, He said. She ran and found herself immersed in His love! She said, YES but would it work? She was Jewish and He a Christian...Or was He?
