

Sinners Fall (Brooklyn Sinners Book 4)

Book four in the Brooklyn Sinners series. Tommy Jankowski is hiding from a past he can't escape and a man he can't forget. With a new name and resolve, he settles in a small California town. It's there he catches the eye of a predator. Fearing for his life, Tommy reaches out to his old boss for help. The man who shows up is the last person Tommy is prepared to face. Mateo Oliveros hasn't forgiven himself for scaring Tommy so bad he took off running. When Mateo gets a call that Tommy is in danger, he doesn't think twice before rushing to the rescue, but Tommy isn't happy to see him. Mateo's plan is to eliminate Tommy's problem then walk away, but that's getting harder and harder to do. The pull between them hasn't disappeared in fact, it burns hotter and brighter. With neither man willing to give in, they're both headed for a fall. It's only a matter of who goes first. A Romantic male/male erotic romance from Ellora's Cave
