

Ines del alma mia (Spanish Edition)

Una bella historia de amor, lucha, traicion y pasion. Ines Suarez es una joven y humilde costurera extremeña que se embarca hacia el Nuevo Mundo para buscar a su marido, extraviado con sus sueños de gloria al otro lado del Atlantico. Anhela tambien una vida de aventuras, vetada a las mujeres en la pacata sociedad del siglo XVI. En America, Ines no encuentra a su marido, pero si un amor apasionado: Pedro de Valdivia, maestre de campo de Francisco Pizarro, junto a quien Ines se enfrenta a los riesgos y las incertidumbres de la conquista y la fundacion del reino de Chile. En esta novela epica el aliento del amor concede una tregua a la rudeza, la violencia y la crueldad de un momento historico inolvidable. A traves de la pluma de Isabel Allende se confirma que la realidad puede ser tan sorprendente o mas que la mejor ficcion, e igualmente cautivadora. Resena:Basandose en las vivencias documentadas de su heroina, Allende compone una novela epica, agil y emocionante, llena de cruentas batallas y romances apasionados.Publishers Weekly
