

## Over You: (Romantic Suspense)

When Jessica Stevens temporarily moves in with her elderly aunt to help care for her, she plans to use the time to heal from a recent break-up. But when her aunt decides to do some remodeling on the old house, Jessica is dismayed to discover that the contractor is her ex-fiance, a man who dumped her several years before. Helping distract her from her troubles are mysterious fifty-year old letters she finds in her aunts attic. The contents of the letters spur Jessica to do some digging, but as the truth of the past begins to be revealed, Jessica regrets ever finding the letters. Over You does not contain any profanity or sexual content.
