

Happiness Hill (Love Endures)

Jane Arleth's mountain vacation is cut short when she receives news that both her parents have been sick back home. Anxious to help but sad to leave a rare chance to relax for the hard times ahead, Jane returns to the city. She soon discovers that there's only one cure for her ailing parents: some much-deserved, cooling time away from the scorching city. So Jane rents a tiny cottage on the beach, hoping for the best. What she finds is a summer that opens her heart to love.
