In an effort to secure alliances with powerful races around the universe, Tiffany Smith is sent as part of a delegation to the magical world of Peth. However, Tiffany soon comes into conflict with the Coven Elder leading the mission. Amid vicious werewolf and local witch attacks, she even comes to question the loyalty of those in their own ranks. Meanwhile, Blake is having a hard time dealing with all of Tiffany's recent revelations. He also has his hands full with her rogue sister Valensa, who shows up at their Earth apartment while Tiffany is away. Assailed from all sides, Tiffany must blunt the ruby covens power for good and expose the insidious plot among her sisters, all while saving her love from forces he can't even begin to understand.
