Adrenaline-fueled adventure and epic romance mix seamlessly in the third installment of New York Times bestselling author Anita Clenney's Relic Seekers series. Relic hunter and archaeology expert Kendall Morgan has a lot on her mind. After finding the Fountain of Youth and discovering that Nathan, her handsome billionaire boss, might actually be her long-lost childhood love she could really use some time to think. Except a two-thousand-year-old Protettori guardian has just teleported into her bathroom, desperate for help. The Reaper, an ancient and sinister being consumed with finding the world's most powerful relics, is after the Holy Grail. Now Kendall must use her sixth sense to find it first. With both Nathan and her brooding bodyguard, Jake, by her side, Kendall sets out to find the lost chalice in a dangerous quest that will test her abilities, her heart, and everything she thought she knew.
