

## Forever After 2: A Carolina Love Story

Against their families wishes, Paris Martin and Kingston Stewart fall madly in love, igniting a flame in their hearts and a feud in the streets. After overcoming everything that was meant to tear them apart, the pair become inseparable, much to the disapproval of their older brothers. Kings brothers become more of a threat to him than he could have ever imagined but he remains loyal to Paris throughout their deadly altercations. Blood being thicker than water means nothing when it comes to disloyalty, and the bad blood between them is steadily rising. Its a sibling rivalry like no one has ever seen, not even Rio, whose operation is growing stronger by the day. Greed, hate, and envy turns everyones world upside down as emotions run high and tempers flare, while robberies take place and murder is common. No one is to be trusted in the streets of Los Anderson. After everyone else has turned their backs on her, King is all that Paris has. Being the sheltered girl that she is, she soon realizes that shes in too deep and starts having seconds thoughts and questioning her relationship. Being with King has made her the happiest woman alive, despite the numerous attempts on her life, but is their love worth dying for? She loves him but with things getting crazier by the minute she starts to wish she would have acted according to her brothers wishes. Still, she continues to build a life with King, high off of love and merriment. With confusion in her heart and her fear at its peak, it isnt until tragedy strikes that their relationship is truly threatened causing an electrifying rift between the two. With drama coming from every angle, no one can help but to expect the unexpected in this breathtaking sequel.
