

The Ravens of Thri Sahashri: A cooperative card game for two players (Osprey Games)

Ages: 14+ Number of players: 2 Playing time: 45 minutes Components: 46 oversized cards, 3 story cards, and rulebook
 Ren: a young girl who lost her family under terrible circumstances and has now fallen into a catatonic state. Feth: a foreign boy with the ability to read the hearts of others. Together, they will try to wake Ren by rebuilding the memories closest to her heart, but ravens have come to feast on her heartbreak, and they will not be denied. The Ravens of Thri Sahashri is a beautifully illustrated cooperative card game in which players must work together to rescue Ren from the darkness. Hidden amongst the cards are the memories that will stir her from her troubled slumber, and it falls upon Feth to help her find them. Communication is key, but the only means they have to do so is through patterns formed with the cards. Will Ren be saved, or will she fall prey to the ravens circling overhead?
