

## On the Brink: Complete Boxed Set

A young woman's journey toward love and happiness and along the way, finding herself. From best-selling author Erika Rhys. One conflicted woman. Two amazing men. That's the dilemma that faces Juliana West. Struggling to get her career off the ground, the last thing she wants is drama or a relationship. Unexpected passion That is, until she meets handsome, mysterious billionaire Craig Manning. Damaged by her traumatic past, Juliana doesn't want to fall for Craig, whose wealth and social prominence place him in a world utterly different from the simpler life she's worked hard to build for herself in Boston. But with an intense attraction brewing between them, will Juliana resist Craig's determined pursuit even after his darkest secrets are exposed? Difficult decisions In Book 2, a new complication enters Juliana's life--an irresistible man named Jake Barlow, who is equally determined to sweep Juliana off her feet. Who will Juliana give her heart to, and why? What readers have to say about On the Brink: The writing is fluid, the wit is sharp and dry, the romance is HOT. Christopher, author There wasn't a dull page in this story. Ilze, author A great balance of story and erotica. Heidi M., reader Before I read it, I predicted how this would go. It didn't go at all the way I predicted.....it was SO much better! Kristen F., reader The love affair that developed between the heroine and the hero was absolutely delicious I would recommend this book to anyone who likes an involved plot including a cliffhanger...or two...:-) Gilda, reader
