

Reborn: Six Saviors Series

Warrior Hudson from the Six Saviors seems to have it all good looks, fine clothing, expensive jewelry and women just waiting for their turn to sleep with him.

But, what he safely keeps hidden from the world is the terrible pain hes suffered for many years. As he fights his internal demons, he joins his fellow Warriors in waging war on the evil from their planet that has been let loose on Earth. Beverly Devlone was a highly respected doctor, until tragedy hit her and a drug addiction destroyed her career and reputation. As a lonely woman fresh out of rehab, shes now uncertain of her place in the world, what her purpose is, and where she belongs.

When an explosive event brings Hudson and Beverly together, the instant attraction between them cannot be ignored. As the two grow closer and share secrets, they help each other heal from the shackles of their pasts. But true happiness eludes them when they are forced to go their separate ways, until Beverly returns with an admission that will rock the very fabric of Hudsons world.
