When a slave with no future meets a man with no boundaries, will their heated encounter ignite their lonely hearts or send them down in flames? They took my life and freedom at the age of sixteen. In my prison I live in their walks by their rules with the false and deluded hope that one day things will be different. That one day I'll no longer be merely an object of their perverse fantasies. But deep in my heart I know there is only one end to my nightmare death. Until him

my Master Some call my home paradise, others know it as hell but it's the only life I've ever known. My legacy At the age of ten, I saw my mother's dead body carried out of our room. The organization became my family, molding and shaking me in their image, but I never forgot the lesson my mother taught me. I only live by their rules to get what I want in return Her.
