Truth In Lies Series reading order: This Much Is True Book 1 The Truth About Air & Water Book 2 Tell Me Something True Book 3 THIS MUCH IS TRUE Both on the verge of fame. A ballerina who lies. A baseball player who believes her. Well, the truth changes everything. Tally Landon just wants to escape her tragic story if just for one night. She doesnt count on meeting Stanfords baseball wonder, but now she just plans to add Lincoln Presley to her long list of one-night stands. Thats the plan. Lying to the guy about her age and her name is just a part of her dont-get-emotionally-attached way of coping. She doesnt count on being found out, falling in love, or ever seeing him again. Ballet is her life; she plans on keeping it that way. But, can she? Lincoln Presleys life is all mapped out. There is only baseball. With the major leagues circling their favorite prospect with a lucrative offer, he cannot afford to mess up. And, he doesnt; until he meets up with the girl he saved from the burning wreckage on the 101 on Valentines Day months before. By the time he learns her real name and of all the lies shes told, hes in far too deep to ever really let her go. When fame and lies tear them apart, one truth remains. And fate? Fate most definitely, has a different set of plans. This much is true. THE TRUTH ABOUT AIR & WATER They share an epic love, but one moment changes everything. A life together that seemed certain is shattered. One learns you never love the same way twice; the other learns what it means to come home. You only think you know how this love story goes, but do you really know how an

epic love can end? She is living color, and Ive been in a black-and-white world for far too long without her. Powerful stuff. It surrounds me. Ive felt it since I first arrived. The forcefield of her. The magnetism of her. The power she wields over me. Im alive again because of her, like a dying plant that finally gets some water. Ive got it bad for this girl. Reality dawns. The light comes through the darkness and shines on me. Shes my water. -Lincoln Presley TELL ME SOMETHING TRUE

The star ballerina finally marries the major league baseball player and the truth about Linc and Tallyhis being her air and she being his water becomes clear after the couple finally realize that their love is all that matters. But that was the first day. The day they said, I do. The day the demons seemed to leave them alone, at least, for a little while. Nevertheless, there were other days, when all the lies of the past and their ways of coping with their fears caught up to them. And, this is that story. If you believe in fairy tales and happy endings, and you want to stop right here and bask in the wonderment and joy of it all, please do. If you want to know the rest of our story, you need to take a deep breath and tell yourself that everything will be okay, that everything works out, and life happens, and in the end love is all you need. Someone has to tell you these things, just like someone had to tell me. All I know is that the truth never dies, and it does set you free, whether you want it to or not. And in the end? All you have is love. Love is all there is. ~ Talia Landon Presley
