

The Moretti Novels Box Set

Taming the Bachelor: Ex marine and bad boy, Mark Moretti, made a pact with his childhood friends to live life to the fullest and never allow a woman to tie him down. After years of success and the world at his feet, he is determined to make that pact a reality. A move back to his beloved Los Angeles threatens to change the future he had written for himself when the shy and beautiful, Sophie Barringer, ends up being the Maid of Honor at his sisters wedding. Sophie has been burned at love. The last thing she needs is a self proclaimed bachelor to turn her head. Forced to spend a week together in paradise, can they deny their chemistry and stay away from each other or will they give in to lust and take the chance? Can Mark get over his player reputation to take a shot at love or will fate be cruel enough to deny them their happily ever after? Taming the Playboy: Ryan West learned at an early age that forever is never promised. Deciding to live each moment to the fullest, Ryan spends his days as a personal trainer to the rich and famous and his nights in the arms of a vast array of women. As a playboy, his motto is to work hard but play even harder. When his best friend introduces him to his attractive and soon to be sister in law, Ryan doesnt think twice about throwing caution to the wind and bedding the woman that should be off limits. The sparks that ignite between them are undeniable and he struggles to push her memory from his mind. Knowing happily ever after only happens in fairytales, Layla Barringer has lived her life with a wild streak of her own.

Knowing about his revolving door of women, she decides to enjoy one night with no strings attached. When personal tragedy strikes, they are left with only two options. Aware of their growing attraction to each other, will they work together and face adversity head on or will fear and heartbreak send them running in opposite directions? Taming the Boy Next Door:

Caleb Allen was your typical boy next door. As one of the original Moretti men, he caught the eye of countless women with his clean cut good looks and chivalry. But behind closed doors, he commanded attention, becoming a dominant force that was anything but timid. After a misunderstanding that jeopardized the well-being of the group and a near fatal accident that nearly cost him his best friend, Mark Moretti, Caleb was determined to become the loyal and devoted man he had been in the past. The minute Dr. Jena Turner stepped from the ICU with news of Marks condition, Calebs world spun off its axis. Several chance encounters only deepened his desire to make her his. He longed to prove that the life he preferred was one of pleasure and passion. Jena Turner has a secret that haunts her. Hiding from her past, a simple moment in the heat of passion sends her running in fear. An unlikely confidant can either push her back into Calebs arms or give him a taste of his own medicine.

Taming Casanova:As the Casanova of the Moretti Men, Kevin Mercks conquests were legendary. But life isnt always what it seems. After saving his best friend, Ryan West, with a bone marrow transplant, he became a permanent fixture in the Moretti family. While everyone was getting their lives back, something went terribly wrong. Keeping his secret was a risk he was willing to take to protect those he loved most. Kevin spent his days in the gym as a personal trainer and traveled the country as the face of a fitness franchise. Hot and steamy, he had his choice of women in every city. He had never met a woman he couldnt charm the pants off, until he met the clever and smart mouthed Andi Allen. Her fiery personality and witty comebacks drew him in and wouldnt let go. But when things seem too good to be true, they often are. People can be gone in the blink of an eye. The Moretti family is rocked to the core. As they struggle to heal, can they find strength in their bond? Is love enough to save one of their own?
