

The Stormy Path: A Story Retold

When He has tested me, I shall come forth as goldJob 23:10God takes us through some rocky roads for proper conditioning in order that we might be fit for His use. It is however comforting to know that when He gives a task, He also supplies the strength to complete it. He may bring a load, but never an overload. Life is full of all kinds of big and heavy loads. This book is about true accounts testifying to the love of the Almighty God walking with His own children to lighten their burdens and brighten their journeys. I pray that you will be richly blessed by reading about Covenant's life journey. What God did for her, God can do for you and even much more , for He is no respecter of persons. All you need to do is to Trust and Obey. Eunice Foluke Omotoyosi Akanbi
