

## Darons Guitar Chronicles: Volume Seven

Price drop! Only \$2.99 for a limited time. Ziggy went to India. Daron traveled the world. Is the music business ready for what happens when they meet again? When last we saw guitar prodigy Daron Marks, he was on a beach in Australia on the very last day of 1989. A new decade has dawned and Daron has little choice but to embrace change in the face of Ziggy going AWOL and poor record sales. Daron embarks on a journey of artistic growth, studying more styles of guitar and music, a journey that takes him from Virginia to Spain to New York City. But while he prepares for whatever may come next in his career, is Daron prepared for his inevitable reunion with Ziggy? Ziggy is back and hes got a plan. Volume 7 of Darons Guitar Chronicles collects chapters 505 through 584 from the popular web serial by Cecilia Tan. Darons Guitar Chronicles won the Rose & Bay Award for Best Crowdfunded Fiction in 2010.
