

In Celebration of Wholeness - The Last Supper: Reflections for Prayer and Celebrations (Art and Inspiration of Sieger Koder)

The booklet presents several themes that emerge from the painting. In using these themes it is recommended that the reader take time with the painting to ponder its imagery, sense its atmosphere, to attend to its detail and composition, to listen silently to its meaning and imagine oneself within the scene. A helpful support to those who wish to ponder the Eucharistic mystery and be nourished by it.
