

## The Espionage Effect

THE ESPIONAGE EFFECT is a STANDALONE, FULL-LENGTH, ACTION-ADVENTURE ROMANCE.

When desire sets you freecontrol is a matter of perception. Im Devin Hill. Darkness taints my soul. Im suffocating. Drowning. The sweet promise of air? Pure illusion. Tested as a genius at age seven, I hide my emotions, become what they expect...bury my secrets. At nineteen, I trudge toward a predestined path, blinders on, heart safeguarded. Until I dare to be wild. Until Alec Marquez crashes into my world. Until all that follows redefines everything Ive ever known. What happens when you stumble into a world of spies...and discover you belong there?

Genre: Romantic Suspense / Action-Adventure Romance / Erotic Romance (sensual, explicit, sexual awakening) Due to adult content and explicit sexual situations, this book is for those 18 and older.
