It is what every parent is thinking when their child refuses dinner.--Old School/New School MomWith this soon-to-be crude classic, Adam Mansbach has nailed it with his undeniable animal/child comparisons all cozily complimented by Owen Brozmans humorous illustration--we dare you not to giggle into your eggnog.--Curious MomIllustrations are just as enjoyable and the narrative again paints the perfect picture.--Roundtable ReviewsFrom the author of the international best seller Go the F*** to Sleep comes a long-awaited sequel about the other great parental frustration: getting your little angel to eat something that even vaguely resembles a normal meal. Profane, loving, and deeply cathartic, You Have to F*****g Eat breaks the code of child-rearing silence, giving moms and dads new, old, grand- and expectant, a much-needed chance to laugh about a universal problem.A perfect gift book like the smash hit Go the F*** to Sleep (over 1.5 million copies sold worldwide!), You Have to F*****g Eat perfectly captures Mansbachs trademark humor, which is simultaneously affectionate and radically honest. You probably shouldnt read it to your kids.
