

Romance: My Black Billionaire Stepbrother: A BBW Interracial African American Romance Book

Voluptuous art student Dakota Perry is horrified to find out that her mom is marrying Montgomery Sterling, billionaire oil exec. Especially since Dakota is going to be spending the summer with Montys son James, an injured Marine who is recently home from Iraq. James and Dakota went to high school together, back when she was a skinny nerd, and he always picked on her. Although Dakota doesn't know what to expect now that they're going to be step-siblings, she knows it can't be good. A lean, muscular, multiracial Adonis, James Sterling is used to getting any woman he wants. He has a particular taste for curvy beauties, and when he sees that Dakota Perry his soon-to-be stepsister has gone from awkward geek to bodacious bombshell, he has to have her. Now to convince her that he wants more than just her body. This interracial romance from Emilia Domino is a standalone romance. A BONUS INCLUDED! No cliffhangers. Intended for mature readers only.
