

The Chief (Daughters of Destiny Book 3)

Star Allistar: It appears Ive waded into dangerous waters. Go figure. I cant say much right now, but what I will tell you is that if it werent for a tribe of persistent, loveable Black Bears and their reluctant Chief, I would be so screwed right now. Oh yeah, and now my heart feels like its in a taffy pull. If youve never seen one in person, look it up. Its intense. Raeb Clawson: Stars one of the few people who treats me like Im just a regular seventeen-year-old guynot the new Chief of a dying tribe. With Brighton out of the way doing only Creator knows what, nows my chance to win her over. The tribe was trusted with a great secret. A secret that could either protect or kill Star. Its our job to make sure nothing happens to her, and Ill die upholding my end of the bargain if I have to. Unfortunately, its hard to see clearly when the heart gets in the way.
