

Thunder Storm (Thunder on the Mountain Series Book 3)

Each book in this series is a complete, stand-alone book and can be read in any order. Suddenly finding herself the sole caregiver for her aging grandmother, advertising executive, Jeni Jenkins, accepts her best friends offer to leave Nana in a beautiful Colorado Victorian cottage surrounded by friends and a competent nursing staff. Jeni expects to take care of her thriving New York business and be able to visit frequently. Setting off sparks every time he and Jeni get near each other, sumptuous local contractor, Miles Jeffries, makes it clear that short-term, long-distance relationships will never be part of his life. As much as she captivates him, he categorically refuses to pursue any suggested entanglements with this zany woman who has no intention of sticking around. But whats really preventing him from becoming emotionally involved with this unexpectedly enchanting temptress? With a genuine fondness for Nana, Miles keeps Jeni up-to-date on the sometimes funny, sometimes poignant situations happening in the Colorado high country. Jenis worked hard for the remarkable success she now enjoys, but theres an emptiness in her life with everyone she loves so far away. A quick-reading, contemporary romantic escape, readers will enjoy the banter and undeniable sexual attraction between Jeni and Miles. ****SEXUALLY EXPLICIT**INTENDED FOR MATURE AUDIENCES****
