

Honolulu Hostage (The Island Breeze Series Book 3)

Pregnant neurosurgeon June Kato visits Honolulu to take a break from her day-to-day grind on Maui. She only wants to visit a few friends, do some sightseeing, and catch up on sleep in an air-conditioned bed and breakfast. It isn't long before she is talked into doing a long and difficult surgery, and from the moment scalpel touches skin, there is trouble. With only her wits to rely on, and her newly found mother's instinct, can she escape her latest headache?
