

Shattered Emotions (Redwood Pack Series Book 5)

Maddox Jamenson is the Omega of the Redwood Pack, the one burdened by emotions stronger than his own. Hes spent his entire life shrouded in the secrets of his gift and the price he has to pay to keep it, yet the cost just escalated. Hes known a mate could be in the cards for him, but he cant have what he wants. Not when the battles he has yet to fight could destroy her.

Ellie Reyes was the Centrals princess, the daughter of the most hated Alpha of all time, yet not prized. No, shes spent her life as the toy of her brothers sadistic torture and has endured a pain that no one else should have to even contemplate. Though when shes rescued, the one person who could help her, her mate, turns his back on her for reasons unknown to her. As each day passes, the strength that everyone sees in her dwindles to a point that there may be no coming back from. When the Centrals find a new way to attack, leaving Ellies only protection a mate that she doesnt think wants her, theyll both have to overcome their fears and fight for something stronger than their pain. The war isnt over and new players are coming that will decide the outcome. Maddox and Ellies connection will be tested even as their fragile bond is only newly forming.
