Paying Back Her Boss: Complete Collection (Books 1 & 2) This is the complete two-part series, previously published separately. A lying ex-husband, a money-grubbing loan shark, and a smokin hot and domineering boss who thinks he can make Nicole a deal that will benefit them both. Nicole may not think she wants to submit to her boss desire for her, but a dangerous temporary arrangement means that she gets her life and her house back at last. What begins as a financial arrangement starts to become tangled in passions and corporate secrets, as Nicole learns that a rich and powerful man in an expensive suit may hide unfulfilled passions that she never has known before. Still, a dominant man this possessive couldnt possibly mean to keep her, could he? What She Really Wants: A Fertile Love Story Emma think she knows what she wants, but after discovering some interesting files on her roommates laptop, she may change her mind when she gets an invitation from her handsome neighbor. Maybe what she wants is something more primitive than what any modern girl wants....and more dangerous.

When Steven decides Kate needs to pay for her sins, he makes her a taboo bargain she cant refuse.
