

## The Soldiers Widow: A Western Romance

A widow alone in the west. Its been over a year since Molly has felt the touch of a man. A year since her husband was killed in action. A year of trying to keep the farm going in the face of the drought. But when a good looking drifter inquires about work she feels something she hasnt felt in a long time. A stirring inside of her that says maybe its time to give love a second chance.
