

Carpe Diem (Liaden Universe Book 10)

On the run from interplanetary assassins, covert operative Val Con yosPhelium and former mercenary sergeant Miri Robertson have wound up stranded on a distant planet with no rescue in sight. Until they figure out a way back to Liad, these two lost souls must find a way to trust each another and let their love heal the dark wounds of their past... Back on Liad, Shan yosGalan, Val Cons cousin and foster brother, and his life-partner, Priscilla Mendoza, have initiated their own search for the missing member of Clan Korval. But what they don't know is that those who seek to destroy Val Con and Miri are just as determined to bring down Clan Korval. All the deadly enemy needs is someone to unwittingly lead them to their target... At the publishers request, this title is sold without DRM (Digital Rights Management).
