

Hunter (Magio-Earth Book 4)

To love and protect across worlds. Nineteen-year-old Lieska Alura, a Dralion warrior from the planet Magio, calls an Australian Outback station her home away from home. Hounded by her skilled hunter senses, she is on a mission to track down one man, her soul-bound mate. Peacian protector and hunter, Cole Cyrano, is driven by his souls demand to find his mated one, a woman he knows is his enemy. Dralion and Peacio are at war, and he ignores his souls call. Except Lieska shows up during a fierce training session inside his protectors arena, and his soul demands he protect her. Completely, yet impossibly matched, they decide to renounce their bond, only not all goes as planned when Lieska receives word bushfires rage across her Outback station. She leaves, and now nothing can keep Cole from the hunt. He joins Lieska in driving the stations cattle toward the mighty river, and the chase is on against both nature and each other. Can the mated pair find their place together in a world at war?
