

To Rescue A Thief (The Thief of Ishel Part II)

Warning - this is Part II of a trilogy - which means yet another cliffhanger. Alisande Karran is back in the manipulative hands of her uncle, her heart aching at the thought of Jack Swift alone and injured. But this time she has a plan, and allies that her uncle can't threaten with money or power. When Jack wakes on the slave galley, he expects pain, and more of the same. Instead he finds unlikely support, and a glimmer of hope for a future he didn't expect. As the distance between them grows, Alisande forms a daring plan to escape her uncle, and move closer to the rescue of her thief. A thief she has become dangerously attached to. For the 18+ crowd, due to steamy, sexy love scenes. Note: this is a completed trilogy.
