

Finding Frankie [Mech Warrior 1] (Siren Publishing Everlasting Classic ManLove) (Mech Warrior: Everlasting Classic: the Manlove Collection)

[Siren Everlasting Classic ManLove: Erotic Alternative Futuristic Sci-Fi Romance, M/M, HEA] Ten years ago, a virus swept the planet, killing millions. Just as the human population was starting to recover from that disaster, mechanical aliens invaded Earth looking for iron-and they had no problem exterminating the human race to get it. Anthony Roarke lost his lover in the first wave of the virus. Frankie James family secreted him away in a cryogenics facility until a cure could be found. But that was before the mechs invaded. Roarke has searched for Frankie since the day he disappeared. Once word reaches him that Frankie has been located, Roarke wastes no time in going after his lover. But bringing Frankie into the new world might cost him more than his sanity. It might cost him his life. Note: This book was previously published with another publisher and has been extensively revised and expanded. ** A Siren Erotic Romance
