

Tennessee Automobile Liability Insurance, 2010-2011 ed.

This edition brings you complete and up-to-date statutory and case law, explained by experts in the field. In addition to the rights and duties of parties under the standard liability policy, it also covers the special situations of uninsured motorist and underinsured motorist insurance claims with an eye both to trial, and to settlement strategies. Statutory provisions are fleshed out with references both to reported cases, and to relevant unreported cases, including citations to the Tennessee Attorneys Memo (T.A.M.). Appendices trace the development of successive versions of personal automobile liability policy used by carriers in Tennessee.
