

Her Knights Quest: A Warriors of the Mist Novel

They are cursed by the gods, and war is their salvation. Love is their deliverance. For centuries, five legendary warriors have braved battles shoulder to shoulder. But now they must divide and conquer as lone champions against evil. Duncan, a scholar at heart, is drawn to an isolated abbey rumored to hold the answers to countering the terror unleashed by Duke Keirthan. Inside the cloistered walls lies the hidden collection of forbidden lore on dark magic. But the real key to the salvation Duncan seeks both for the people of Agathia and his soul is the abbess herself, Lady Lavinia. Hunted by the duke, who seeks to harvest her powers, Lavinia knows Duncan wants to help her. But can she trust the tortured warrior with her secrets? In the end, it is only by joining forces that they can save not only those they are sworn to protect but each other.
