

## The First Show - An Outrageously Sexy Group Sex Short Story from Steam Books (Indulgence Resort Book 1)

Ellen Mary Read is finding her new job as head housekeeper at Indulgence to be substantially different from what she initially expected. Ellen's first big assignment: put on a show for the guests. When one of her employees, Cathy, volunteers for the show, Ellen is concerned because Cathy is a tiny woman and her onstage partner is a huge bodybuilder. Cathy assures her she's up for the challenge, and Ellen's reputation with Lana is in her hands. **WARNING:** This 4,046-word (about 20 pages) short story is a steamy read that features explicit scenes including oral sex, exhibitionism, bodybuilders, threesomes, masturbation, and may be too much for timid readers! -- **INDULGENCE RESORT** -- Anytime, Anywhere, Anyone. The phrase is the motto of Indulgence Resort, an idea so ingrained in the employees that every worker wears it engraved in a golden disk on a slender gold chain around their neck. The service is unique, lending itself to sheer pleasure, and often presenting solutions to problems the guests were not even aware they had. Indulgence stands alone at the top of the elite resorts in the Caribbean and the rest of the world.
