

The Tennessee Waltz Series

#1 Amazon Bestselling Time-Travel Romance Author Three couples find unexpected romance when fiddle music and fairy dust are in the air. Get all three titles of the Tennessee Waltz titles in one set and save: **KISS ME, IM IRISH (Book One):** Emily Musgrave is heading a direction she never wanted to go in Regency England--namely a convent to turn her from her waywardness. But its more loneliness than rebellion that motivates her to escape her certain fate. Liam Jackson is going nowhere fast in modern-day Tennessee. Playing his Dobro in seedy bars and backward dives along with his fiddling sister, Tinker, is doing nothing for his music career--and even less for the dark places in his soul. Pixie mischief can not only change time-lines, it can change hearts. Because sometimes a girl just needs a little magic in her life. **KISS ME, IM YOURS (Book Two):** Time-travel, hoop skirts, surly locals, and a handsome if troubled Southern gentleman. Things just got weirder for Sophie Bowen. When jilted Sophie stumbles into a stone circle filled with fireflies, she wakes up in a very different place and time. Beaten down by Lincolns War and personal tragedy, Gabriel Merritt feels his life has become a lost cause. In a post-war South still licking its wounds, Sophie and Gabriel struggle to understand the place they each find themselves in, while fighting a war of attraction. And a mysterious twelve-year-old girl just might hold the key to it all. **KISS ME, IM HOME (Book Three):** The prickly Morgan Lee Faye has a penchant for family TV shows and a dislike for the people around her, but shes the best travel agent in Tennessee. So good that she catches the eye of the mysterious proprietor of Avalon Travel, Mr. Kane. If Morgan accepts the job, shes promised adventure around the globe and gold for her pocket, but she worries the offer is too good to be true. It is. And Kane isnt the

only one with a creepy agenda. Her co-workers all seem to want a piece of Morgans secreteven the two office hotties. Honestly, she just wishes theyd all go away so she can watch Little House On The Prairie. But thats not going to happen because from Nashville to Avalon, faerie mischief is back!
