

## Defender (Long, Tall Texans)

The man who shattered her trust is back to protect her New York Times bestselling author Diana Palmer delivers a breathtaking story of second-chance love. When Paul Fiore disappeared from Isabel Graylings life, he told himself it was for all the right reasons. She was young and innocent, and he was her millionaire fathers lowly employee. Three years on, Paul is the FBI agent assigned to Isabels case. Too late, he realizes what life in her Texas mansion was really like back then and how much damage he did when he left. Once love-struck and sheltered, Isabel has become an assistant district attorney committed to serving the law, no matter how risky it gets. But right now, the man she cant forgive is the one thing standing between her and a deadly stalker. She knows Paul wont hesitate to protect her life with his own. But if she cant trust herself to resist him, how can she trust him not to break her heart all over again?
