

Gay Romantic Comedy : Mr. President and His Guy: New Elected President and and his funny story when the lovely stranger becomes his bodyguard

Jonathan Parker was the elected president of the United States of America. He was the son of the beloved Senator Parker from Texas. He grew up in politics and its roughness. He never did anything bad just to make his parents proud and happy for him as a child. Growing up, Jonathan had noticed that there are changes in his movements and views. He never even finds women attractive like a guy was to him. He told his parents about it, but they all kept it in silence. He never acts on it mostly when people are around. Now that he was a president, Jonathan didnt even thinks that he will be able to act upon it. He suppressed all the desires he had until he met Constantine Swallow. He was from Texas and transferred in Washington to be in his service. Amazed about the fact that he will be living with the handsome man, Jonathan will also experience to be love as a man.
