

Cats and Cowboys

50% OF ALL PROCEEDS FROM THIS BOOK GO TOWARD WWW.THEPETFUND.COM Lanna Kirby and her cat, Gordon, flee Indiana when her race car driver boyfriend publicly humiliates her. A job in a small Texas post office seems far enough away and a good place to start over. Lanna's through with men, for sure. That is, until a handsome cowboy strolls in. Jackson Harrington is a cowboy who loves his ranch, but wishes he had someone special to share it with. Lanna gets under his skin in lots of ways, but that's not all. Jackson hates cats! Will they be able to ignore each other and their growing attraction, or will one of them get over being stubborn and give in?
