

## Aloha Reunion

College senior Leilani is blind-sided by the emotional impact of Jeff Sorensens arrival in Hawaii. Her physical attraction to him is evident from the moment he steps off the plane with his sister Betty, who has returned for a reunion of old school roommates. Jeff has a history of being a ladies man, so Leilani tries to guard her heart. But Jeff joins the group in a mudsliding adventure, and then he manages to get Leilani alone in the waves at Waikiki, where theyre nearly an even match at bodysurfing. No matter how much she fights her feelings, shes unable to resist his charms, and when he sweeps her off her feet, she knows she cant stop herself from falling completely and totally in love with Jeff. Theres only one problem: Jeff lives in Arizona and Leilanis future is in Hawaii.
