

Broken Legacy (Secret Lives Book 2)

BROKEN LEGACY, an Amazon #1 Bestselling Historical Romance! Orangeberry 2013 Hall of Fame Best Romance! Lord Gerard Lenister needed the lady...after their meeting, he wanted her. For seventeen years Lady Eloise Granville lived in France thinking herself a bastard. Not until her life was threatened did her father cross the English Channel to reclaim her as his legitimate daughter. Now four years later a revolution roars its ugly head in France. Rumors abound of Lady Eloise's life before her emergence in England...rumors that link her to the notorious leaders of the French Revolution. Lord Gerard Lenister knows well the whispered connections Lady Eloise has across the Channel and the disdain that Society holds for the lady. It matters little to him. He could have cared less if she was the incarnation of a she-devil. He would marry Jezebel herself if she helped him on his mission. He is that desperate...but soon he discovers that Lady Eloise is not what she seems. ABOUT Intrigue, Secrets, Romance--Broken Legacy, Book Two of Secret Lives Series! Thrown into the midst of the Reign of Terror that the French Revolution has become, Lady Eloise has long struggled with the questions arising from her birth. Forced into a marriage she neither wanted or desired, she finds herself drawn to the man who is now her husband. Lord Gerard puts into place a plan to save his children. Marrying Lady Eloise gives him the leverage he needs. Soon, he realizes the woman he married is nothing like the woman she has been portrayed. Never did he consider she would risk her life for him nor did he consider that Eloise would evoke feelings within him he did not know existed. Thrown into a terror few escape, Gerard and Eloise discover a connection that will bind their lives forever--love. That is if they survive.
