

Alphas Gamble (Haven City Series # 7) (Volume 7)

Davis Harrison ruins things. He was supposed to form a pack and lead as alpha, but that future felt like a cage, so he paved his own path as a gambler who now owes money to the mob. Problem? Yeah. Big time. Especially when repaying old debts puts Davis and everyone he cares about in danger. Enter Davis's best friend and omega wolf, Ken Isben. Ken promised himself not to get involved with Davis and his schemes that ship sailed a long time ago. Ken has a life, a home and a steady job. But every instinct tells Ken that Davis is his mate, and if he's not there to pick up the pieces, who will? But helping a friend in need is harder than it seems when that friend is as sexy as Davis. Even if Davis claims he's straight that doesn't keep the charming alpha from getting close to Ken in every way possible igniting hidden desires and rekindling a lust Ken thought he got over years before. The line between friends and lovers blurs, but is it enough to heal their wounds, repair their broken pack and fall in love?
