

The Accidental Wedding (Berkley Sensation)

When Nash Renfrew wakes in the bed of lovely Maddy Woodford, he thinks he's dreaming. Then he learns of his accident and the loss of his memory. But when it returns, Nash has no desire to leave Maddy's side and continues pretending he has amnesia. With each passing day, Nash's attraction to Maddy grows. But she's just a country girl. How can he even entertain thoughts of seducing her?
