

Whispers In The Dark (Highland Secret Series Book 4)

This is a short, time travel romance story of about 20 000 words and does contain some strong language. It can be read as a standalone story or as part of the Highland Secret Series. Having left Australia to start a new life in York, Stacey Dodge is about to face her first Christmas away from friends and family, but a casual stroll around the ancient city sees Stacey torn even further from loved ones. Accidentally hurled through time, she finds herself in eighteenth century York, in the arms of a man who might just be worth staying for...
